8. [redacted] Met with Representative Edward J. Derwinski regarding S. 782 (Ervin bill). Derwinski expressed appreciation and support for our request for a complete exemption and offered the following suggestions:

a. In the Subcommittee we will probably have trouble with Representative Lee Hamilton but he is reasonable and we should try to explain our case to him.

b. Representative White might normally oppose a full exemption for the Agency, but he can be brought around and the most effective way of doing this would be to have Mahon and Rivers give him a personal call.

c. Representative Nix may be a problem but the right kind of approach to him might be worth trying.

25X1 9. [] Talked to Ralph Preston, Staff Assistant, House Appropriations Committee, about following up a question in connection with our Reserves and he thought the matter could wait until the end of the Fiscal Year.

Preston said he though Chairman Mahon would be glad to call Representative Richard White, of the Manpower and Civil Service Subcommittee of House Post Office and Civil Service Committee, in our behalf regarding S. 782 (Ervin bill). Preston suggested that we bring over a draft letter for Mahon to send to Chairman Henderson which would contain the essential information Mahon would need in order to take the matter up with White.
